

Encore! - Design Document

<i>Business Purpose</i>	Encore is a beloved musical word game where players take turns singing songs that feature a designated word, phrase, or category. Although the rules are relatively straightforward, the game can be daunting for those who are not yet familiar with it. However, simplifying the rules, along with eliminating the need for a game board, makes it an accessible and portable pastime that can be enjoyed in various social settings. The purpose of this course is to provide a structured and engaging learning experience that equips individuals with the knowledge and skills necessary to play and enjoy Encore. The course aims to introduce individuals to a fun and interactive form of gameplay that they can share with their loved ones.
